

**Let's renew hope together
for children and families in need.**

Dec. 20, 2014

Dear Friend,

Maybe you know a toddler like 2-year-old Caitlyn. When she wants something her way, she will put her two little hands on her dad's cheeks. And, like any dad wrapped around his daughter's finger, he will melt and comply with her demands.

You would never know that when Caitlyn was born, her family was homeless. Her father had gotten sick. Hospital bills piled up, and the family savings faded away. They were a stable, middle class family. They never thought this would happen to them, never in a million years. Then they found Second Mile. They received food, clothing and a support system for other unique needs. God answered impossible prayers.

There are thousands of children like Caitlyn, whose families are in crisis and depend on the ministry of Second Mile to help them back on their feet. Will you help us continue to serve people in need – your neighbors – with food, household items, health care, financial education and more?

We are \$142,679 away from our goal of reaching the black in our operating costs.

Your tax-deductible gift in any amount will help the neediest in our community. Gift by gift, we are getting closer to reaching our goal – every penny matters.

With just days left til the end of the year, we need your help now.

Use the enclosed envelope to mail your check or credit card instructions, or visit www.SecondMile.org to make your donation online. **You are the answer to someone's prayer.**

With deepest gratitude,
